

Topic List

Below is a list of Joanne's speaking topics and descriptions. Joanne can customize these topics for a specific presentation length and format (e.g., pre-conference session, keynote, or weekend retreat).

- **Finding Peace in a Hectic World:** In her messages about the familiar story in Luke: 10, Joanne offers tips to help busy women find new freedom and make the Lord the number one priority.
- **Realizing Your Purpose:** By examining the Old Testament story of Nehemiah, Joanne takes audiences on a journey to understanding how they can hear God's call on their lives. Nehemiah not only heard God's call to rebuild the wall of Jerusalem, he took action.
- **Making Space for God:** In this message, Joanne teaches women how to prioritize their lives so that they may hear from God.
- **Hallowed Be Thy Name:** This talk, based on the Names of God, teaches how understanding His infinite roles enable us to worship Him in new ways.
- **Transformed by Grace:** An overview of Paul's letter to the church in Rome, this talk gives an introduction to God's grace and begins building a foundation in Christian doctrine.
- **The Victorious Life:** In this talk, Joanne helps women understand the victory of the cross that enables Christ's power and authority in one's life.
- **Understanding the Presence and Power of the Holy Spirit:** Joanne reveals how the Holy Spirit works and ways we should depend on its transformation.
- **Courageous Leadership:** Emphasizing the works of leaders such as Deborah, Esther, Rahab and Mary, Joanne teaches women how to dare to believe that God has called them both to follow and lead.
- **Living in His Presence:** God has chosen to live His life through people by the power of His Holy Spirit and through conscious surrender. In this message Joanne reveals how to live a surrendered life.
- **Becoming Love:** God's love transforms believers and leads to freedom and authentic and powerful lives. In this lesson, Joanne teaches how to encounter this life-changing love.
- **What's In Your Backpack?:** We all encourage obstacles that keep us overwhelmed with life and unable to fully enter into freedom in Christ - things that steal our hope and wear us down. In this talk, Joanne encourages women to "unpack their backpacks," releasing these obstacles, and live into the way God has intended for us - stress-free, uncomplicated, and simply filled with His Presence.
- **Come Out of Hiding:** In this talk, Joanne encourages women to "come out of hiding" and transforming to the world's standards and be transformed by God's Word. This transformation occurs through building healthy relationships with others and with God.
